

CATALOGO VETTURE CLASSICHE  
CLASSIC CARS CATALOGUE

UN INSIEME DI UOMINI E SOLUZIONI AL VOSTRO SERVIZIO!

Athena, nata nel 1973, è divenuta negli anni un'azienda leader a livello internazionale nella produzione di guarnizioni, parti metalliche e stampati in gomma per ogni tipo di industria e nella produzione di cilindri in alluminio per motori endotermici.

Dispone di vari stabilimenti sia in Italia che all'estero, così da essere sempre più vicina ai propri clienti.

Per una visione dettagliata della nostra realtà aziendale vi invitiamo a visitare i siti internet [www.athena-spa.com](http://www.athena-spa.com) e [www.athena-ad.com](http://www.athena-ad.com).

Nel 1989 Athena ha iniziato a produrre guarnizioni, serie guarnizioni ed altre parti di ricambio per moto ed anno dopo anno ha arricchito la propria gamma di prodotti per il ricambio, tanto che oggi possiamo affermare con grande orgoglio che Athena è l'unica azienda al mondo a disporre di una gamma completa di ricambi per tutte le tipologie di motori a scoppio ad uso industriale, agricolo, trasporto, sportivo, marino...

Disponiamo, infatti, di un vastissimo assortimento di ricambi che è presentato nei cataloghi che di seguito elenchiamo:

- CATALOGO RICAMBI AUTO
- CATALOGO RICAMBI AUTO D'EPOCA
- CATALOGO RICAMBI AUTOCARRI – TRATTORI - MOTORI PER L'AGRICOLTURA E GIARDINAGGIO
- CATALOGO RICAMBI CICLOMOTORI - MOTOCICLI-SCOOTER - OFF ROAD – ATV - JET SKY - SNOWMOBILES
- CATALOGO RICAMBI HARLEY DAVIDSON
- CATALOGO RICAMBI MOTORI MARINI FUORI BORDO

Dal nostro catalogo generale auto abbiamo estratto questo catalogo per dedicarlo agli appassionati di "AUTO D'EPOCA" in quanto anche Athena, azienda modernissima e protesa al futuro, condivide con loro il gusto e l'apprezzamento per la bellezza delle vetture che i nostri padri hanno disegnato e creato molti decenni fa.

E' grazie all'eredità culturale, creativa e del saper fare che ci hanno lasciato, che noi ancora oggi siamo così vitali e presenti nel mondo.

Questo catalogo l'abbiamo realizzato in omaggio a loro e per merito delle vostre richieste, suggerimenti e informazioni lavoreremo con passione ed impegno affinché questo venga arricchito dei modelli che non sono al momento presenti.

Ai nostri clienti, fornitori e dipendenti, che ogni giorno ci sono vicini, mandiamo un grande ringraziamento ed un grande abbraccio.

IL PRESIDENTE  
Giovanni Mancassola

A TEAM OF MEN AND SOLUTIONS AT YOUR SERVICE!

Since its foundation in 1973 ATHENA has become a worldwide leader company in the production of gaskets, metallic and moulded rubber parts for each type of industrial application and of aluminium cylinders for internal combustion engines.

ATHENA has various plants located both in Italy and abroad in order to be nearer to his customers.

For detailed information about our company, please visit our websites [www.athena-spa.com](http://www.athena-spa.com) and [www.athena-ad.com](http://www.athena-ad.com).

In 1989 ATHENA started to produce gaskets and gasket kits and other spare parts for motorcycles and, year after year, has extended his range of spare parts so much so that we are proud to say that ATHENA is the only company in the world to have a complete range of spare parts for all type of gas engine for industrial, agricultural, transport, sport and marine use.

We have a very wide assortment of spare parts which is illustrated in the catalogues listed below:

- PASSENGER CARS CATALOGUE
- VINTAGE CARS CATALOGUE
- TRUCKS & TRACTORS CATALOGUE
- MOTORCYCLES, SCOOTERS, OFF-ROAD, ATV, JET-SKI, SNOWMOBILES SPARE PARTS CATALOGUE
- HARLEY DAVIDSON SPARE PARTS CATALOGUE
- OUTBOARDS SPARE PARTS CATALOGUE

From our general car catalogue, we have extracted a special one addressed to those people fond of "VINTAGE CARS". That's because Athena, state-of-the-art company and group projected to the future, shares with them the taste and attraction for cars, which our parents designed and realised years ago. Thanks to their cultural heritage, creativity and know-how, we are now able to be so proactive and popular in the whole world.

We have created this VINTAGE CAR catalogue to express our gratitude to them and working with real passion and engagement

We will be grateful to receive your requirements, suggestions and remarks in order to add new models.

We owe a special thanks to our customers, suppliers and employees, who support us day by day.

THE PRESIDENT  
Giovanni Mancassola

Su richiesta forniamo guarnizioni con diametro cilindro maggiorato e spessori diversi a seconda delle esigenze.

Athena, inoltre, grazie a processi produttivi molto flessibili, è in grado di realizzare in tempi brevissimi qualsiasi tipo di guarnizione su vostro specifico disegno o su vostra richiesta di modifica.

- Qualora si trattasse di una guarnizione non presente nel nostro catalogo Vi preghiamo di inviarci disegno della stessa al seguente numero di fax +39.0444.727222 o di inviare una e-mail ai seguenti indirizzi: **ordini@athena-ad.com** (per il mercato italiano) o **sales@athena-ad.com** (per il mercato estero) e campione (anche usato) al seguente indirizzo: Athena Spa, via delle Albere, 13 – 36040 Alonte (VI) – Att. R&D dept.
- Qualora vogliate modificare guarnizioni già presenti nel nostro catalogo vi preghiamo di inviarci fotocopia della stessa al numero di fax +39.0444.727222 o di inviare una e-mail ai seguenti indirizzi: **ordini@athena-ad.com** (per il mercato italiano) o **sales@athena-ad.com** (per il mercato estero), indicando le modifiche richieste e le quantità.

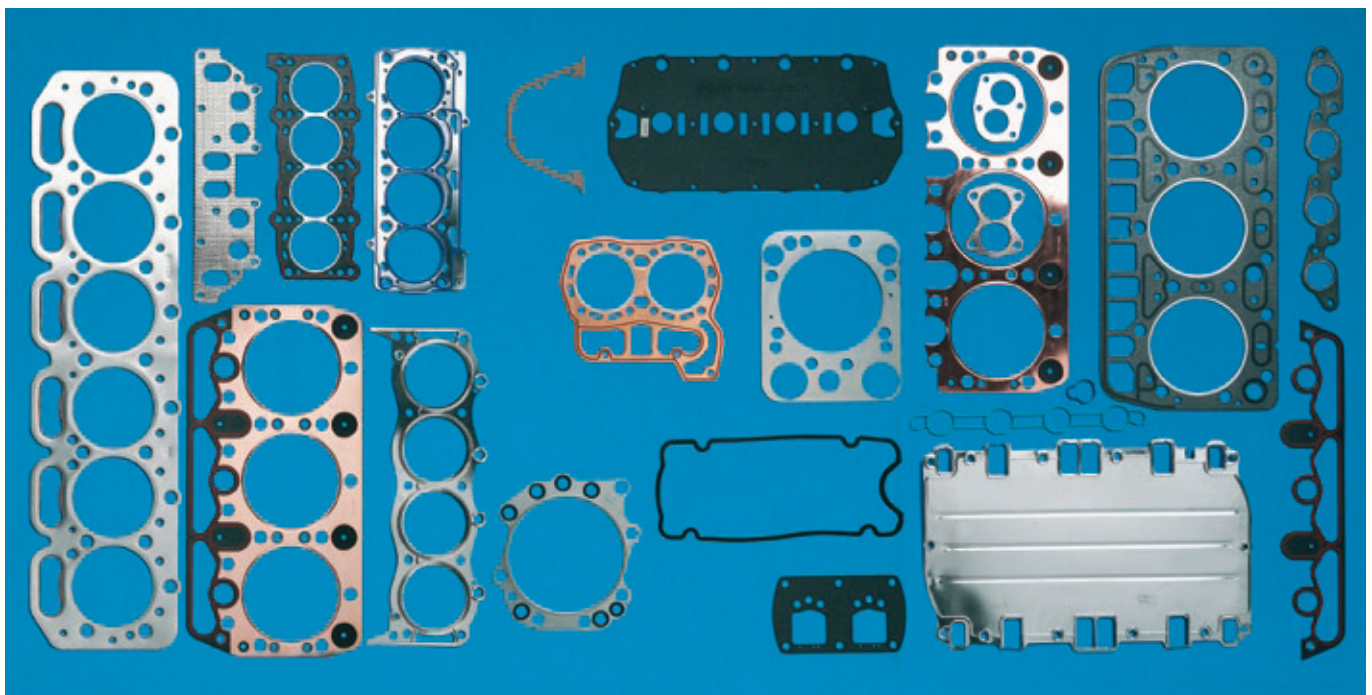

Nel giro di 48 ore Athena provvederà alla formulazione dell'offerta per vostra conferma a procedere.

Upon request, we can develop wider bore gaskets and different thicknesses.

Thanks to its high flexible manufacturing processes, Athena is able to produce within short time any kind of gasket upon receipt of your drawing or modification requirement.

- If your required gasket is not listed in our catalogue, we kindly ask you to provide us with the relevant drawing to fax No.+39.0444.727222 or to send an e-mail to: **sales@athena-ad.com**, and sample to: Athena Spa, via delle Albere, 13 – 36040 Alonte (VI) - ITALY– Att. R&D dept.
- If you wish to modify an existing gasket, we kindly ask you to provide us with the relevant copy to fax No.+39.0444.727222 or to send an e-mail to: **sales@athena-ad.com**, specifying the necessary modifications and quantities.

Within 48 hours, you will be provided with our best offer.

## CONDIZIONI GENERALI DI VENDITA

1. La Ditta fornitrice si riserva il diritto di apportare eventuali modifiche ai prezzi ed alle condizioni di vendita senza l'obbligo di preavviso.
2. I prezzi si intendono per merce franco magazzini della Ditta fornitrice.
3. La merce anche se eccezionalmente venduta in porto franco, viaggia sempre a rischio e pericolo del Committente.
4. Gli imballi vengono fatturati al costo e non si accettano di ritorno.
5. Non si accettano merci di ritorno senza nostra autorizzazione scritta. Il reso della merce deve essere approvato direttamente dai ns. uffici di Alonte; non saranno perciò ritenuti validi gli accordi presi sotto qualsiasi altra forma. Gli eventuali reclami devono pervenire entro otto giorni dal ricevimento della merce. La spedizione della merce di ritorno deve essere effettuata in porto franco.
6. Se l'acquirente non indica sull'ordine il mezzo di spedizione, la Ditta fornitrice si riserva di scegliere il mezzo ritenuto più idoneo senza assumersi responsabilità al riguardo.
7. I termini di consegna pattuiti si intendono sospesi o congruamente prolungati per impedimenti dovuti a casi di forza maggiore o fortuiti (sinistri, disguidi, scioperi, mancanza di materie prime o ritardata consegna di esse da parte dei fornitori, etc...) ed inoltre per mancanza di chiarimenti o disegni necessari all'evasione degli ordini, oppure per pagamenti non effettuati dal Committente alle epoche convenute etc.
8. E' convenuto tassativamente che per nessuna ragione i pagamenti possono essere ritardati o modificati e perciò in caso di mancato pagamento anche parziale, è fatto obbligo al Committente di procedere alla immediata restituzione della merce per un valore pari al debito. La merce va restituita in porto franco.
9. La Ditta fornitrice riconosce soltanto i pagamenti che vengono effettuati direttamente al suo domicilio. Ogni pagamento effettuato a persona non munita di legale procura della Ditta ad incassare avviene a completo rischio del Committente.
10. Al fine di una precisa e rapida evasione degli ordini si prega di citare sempre il codice Athena (qualora non fosse identificabile, indicare la marca, il codice OEM, il modello, l'anno ed il tipo di guarnizione), il tipo di materiale, lo spessore della guarnizione, la marca dell'automezzo. In mancanza di tali precisazioni non verrà caricato l'ordine.
11. Per le guarnizioni non citate nel presente catalogo o di tipo speciale si prega di inviare un campione possibilmente non usato, in mancanza di esso, inviare apposito disegno con la specifica di tutte le caratteristiche necessarie (misure, spessore, materiale). (Vedere pagine introduttive del catalogo).
12. Marca, modelli, riferimenti numerici originali citati e illustrazioni inserite nel presente catalogo sono esposti a puro titolo indicativo.
13. La composizione della serie e la tipologia dei materiali usati possono essere modificati in qualsiasi momento senza l'obbligo di preavviso.
14. Per tutto quanto non menzionato nelle presenti condizioni, si fa espresso riferimento alle norme di legge in vigore che regolano la materia.
15. Salvo accordi documentati diversi a quanto sopra, faranno fede automaticamente le presenti condizioni di vendita.
16. Per qualsiasi controversia inerente al presente contratto sarà esclusivamente competente il foro di Vicenza.

Il presente catalogo annulla e sostituisce i precedenti a tutti gli effetti.

---

I numeri di riferimento della fabbrica vengono usati a puro titolo indicativo. Pur avendo curato al massimo la precisione delle indicazioni qui riportate, non ci è possibile garantirle o accettare qualsivoglia responsabilità ad esse inerenti.

## CONDITIONS OF SALE

1. Athena reserves the right to introduce changes to prices and conditions of sale at any time without notice.
2. Prices are meant EX-WORKS from Athena's warehouse.
3. Goods are always delivered at Purchaser's risk and peril even if sold free of charge.
4. The packaging necessary for shipment will be invoiced at cost and will not be accepted for returns.
5. No returns are allowed without Athena's written authorization. All returns must be approved directly by our factory headquarter in Alonte. Therefore, all other forms of agreement, will not be considered valid. Any claim must be communicated within 8 (eight) days from the date after the goods are received. The delivery of the returned goods is at Purchaser's expense.
6. If the Purchaser does not specify how to transport the goods, Athena reserves the right to choose those means of transport they consider the most suitable without being responsible.
7. Delivery terms will be temporarily suspended or congruently extended for causes beyond Athena's reasonably control including, but not limited to, accidents or casualty, strikes, lack of raw materials, delayed deliveries from Athena's Suppliers, and for lack of technical details or drawings necessary to carry out an order, failure to pay within the agreed period
8. For no reason payments can be delayed or modified and therefore in case of non-payment, even partial, the Purchaser must return immediately the goods for an amount equal to the credit. The return must be done at the Purchaser's expense.
9. Athena only accepts payments made directly to its address. All payments made to company, firm or individual who has not got a legal letter of attorney from Athena to collect payment, are completely at Purchaser's risk and peril.
10. In order to carry out the Purchaser's orders completely and quickly, we kindly ask the Purchaser to always specify Athena's part numbers (where not available, it is mandatory to specify brands, OEM numbers, models, years and gasket types), materials, thickness and vehicle brands. Any missing detail will cause the order not to be processed.
11. A possibly new sample or, if not available, a drawing completed with all the necessary technical details (measures, thickness, materials) (See catalogue introduction) are required for orders of gaskets not listed in this catalogue or of special type.
12. Brands, models, original part numbers and pictures present in this catalogue are purely indicative.
13. Set composition and types of materials may be changed at any time without notice.
14. Any claims or clauses which are not included in this agreement, shall be ruled by the sale regulations in force.
15. Unless otherwise stated in writing, these conditions of sale must be considered valid.
16. Any claim or dispute arising from the sales of goods, even in case of guarantee appeal or majority of defendants, shall fall under the exclusive jurisdiction of the chamber of Commerce within the competence where our company is situated.

This catalogue annuls and replaces all previous ones.

---

Manufacturers' part numbers are used for reference purpose only. While every care has been taken to ensure the correctness of the information in this list, it is not possible to guarantee the same or accept liability arising there from.
