freccia[®]

Freccia® è un marchio conosciuto ed apprezzato nel mondo grazie all'esperienza di 90 anni nella produzione di componenti motore destinati al mercato di primo impianto e *aftermarket*.

In questa occasione siamo lieti di presentare il nuovo **catalogo Pompe Acqua** che copre tutte le principali motorizzazioni europee, giapponesi e americane per auto e veicoli commerciali.

La qualità dei prodotti è garantita dalla certificazione dei sistemi di qualità ISO 9001 e, come per tutta la gamma Freccia, verranno applicate condizioni di garanzia specifiche per il mercato del ricambio.

Un eccellente team logistico e commerciale sarà in grado di soddisfare le vostre richieste nel più breve tempo possibile in ogni parte del mondo.

Freccia® is a very well-known brand appreciated all over the world, thanks to our 90-year-old experience in the production of engine components, both for the Original Equipment Market and the Aftermarket.

*We are pleased to announce our new **Water Pumps Catalogue** which covers the main European, Japanese and American brand concerning passenger cars and commercial vehicles.*

The quality of our products is guaranteed by the Certification of our quality systems according to the standard ISO 9001 and, as per all Freccia products, we apply the specific warranty policy for the aftermarket. Our excellent logistic and sales team will quickly meet your requirements worldwide.

POMPE ACQUA
WATER PUMPS

GARANZIA RELATIVA AL BUON FUNZIONAMENTO DEL PRODOTTO

- Freccia International Srl (di seguito "Freccia") nel rapporto con i propri distributori e clienti offre una garanzia di **buon funzionamento** dei propri prodotti e garantisce che i componenti forniti ed installati sono **esenti da vizi strutturali e/o difetti** di conformità all'origine che li possano rendere non idonei all'uso abituale e normale a cui sono destinati, per la durata di 12 (dodici) mesi dalla consegna del bene al cliente o al vettore che ne cura il ritiro salvo la tempestiva denuncia di vizi entro i termini di legge (pari a 8 giorni dalla scoperta)
- Nel caso di riscontro di difetti, il rivenditore deve informare Freccia **nel più breve tempo possibile** dettagliando tale reclamo. L'efficacia della garanzia è subordinata alla **previa immediata denuncia scritta dei vizi a Freccia** da effettuarsi in ogni caso tramite compilazione dell'apposito modulo al momento della scoperta di tale difetto sempre che non si verifichi una delle condizioni descritte successivamente nelle "ESCLUSIONI DI GARANZIA".
- I particolari difettosi dovranno in ogni caso essere ritornati a spese del Cliente a Freccia che provvederà a **ripristinare il buon funzionamento dei prodotti**. Nel caso che il componente, fornito difettoso, non sia stato ancora utilizzato Freccia rimpiazzerà lo stesso con uno conforme senza addebito o praticherà uno sconto di pari valore.
- La responsabilità di Freccia resterà esclusa per danni derivanti ai prodotti per fatti non imputabili a Freccia quali imballaggio, trasporto o stoccaggio dei prodotti effettuato a cura del Compratore con mezzi inadeguati.
- Inoltre Freccia non potrà essere ritenuta responsabile per perdite o danni subiti dal Compratore conseguentemente a cancellazioni di ordini da parte dei Suoi Clienti, penali per ritardate consegne o per qualsivoglia altro danno o penalità o rimborso inerente ai rapporti del Rivenditore con i propri Clienti.
- per qualsiasi controversia è competente unicamente il Foro di Milano

REGOLE PER IL CORRETTO MONTAGGIO

Freccia raccomanda il montaggio corretto "a regola d'arte" di tutti i suoi prodotti secondo quanto prescrivono le case costruttrici e il foglio di istruzioni contenuto nella scatola.

In particolare per le pompe acqua Freccia prescrive:

- la pulizia del piano di appoggio della pompa,
- la sostituzione a nuovo di tutti i componenti che interagiscono con la pompa comprese la sostituzione delle guarnizioni e degli OR della pompa.
- il corretto serraggio delle viti di fissaggio
- l'attenta verifica del corretto tensionamento della cinghia

Inoltre onde evitare difetti nell'allineamento degli assi dei componenti, è necessario il ripristino di posizione e di forma prescritte dalle case costruttrici.

GARANZIA LEGALE DI CONFORMITA'

Il contratto di vendita prevede la conformità dei prodotti al momento della consegna.

- La responsabilità di Freccia **resterà esclusa in caso di utilizzo e/o montaggio dei prodotti non conformemente** alle specifiche condizioni previste dalle **"REGOLE PER IL CORRETTO MONTAGGIO"** descritte nel paragrafo precedente e nel libretto **"ISTRUZIONI DI MONTAGGIO"** incluso nella scatola.
- Freccia non potrà essere ritenuta responsabile per qualsiasi esborso o danno conseguente l'utilizzo e/o il montaggio erroneo del prodotto o l'utilizzo e/o il montaggio di un prodotto che si riscontra già difettoso prima del montaggio.
- La mancanza di conformità deve manifestarsi entro 2 (due) anni dalla consegna del bene e deve essere fatta valere dal consumatore entro 2 (due) mesi dalla scoperta con l'evidenziazione del difetto.

PROCEDURA IN CASO DI DIFETTI

Il consumatore deve fare valere il difetto al rivenditore di zona che risponde della garanzia.

Il dettagliante può rivalersi a sua volta verso Freccia o un precedente intermediario nella catena di commercializzazione con **azione di regresso** entro un anno dalla data della vendita del prodotto al rivenditore.

Il termine di **decadenza dall'azione di regresso è comunque fissata in 3 anni** dalla data della vendita del prodotto al rivenditore.

La segnalazione va fatta con foto esplicative e compilazione dell'apposito **"MODULO DI RESO PER GARANZIA"** contenente i dati del veicolo e del motore, il numero targa, la data di montaggio del pezzo, i chilometri percorsi etc. assieme alle fatture di vendita e di installazione.

Il dettagliante deve specificare se desidera la restituzione del prodotto dopo analisi tecnica.

Dopo controllo di qualità, se il difetto viene confermato, Freccia proporrà la riparazione o la sostituzione del bene o la risoluzione anche parziale del contratto praticando uno sconto di pari valore.

Il pezzo verrà definitivamente rottamato decorsi 4 mesi dall'analisi tecnica a meno di diverse indicazioni da parte del cliente.

Per componenti già assemblati difettosi, Freccia riconoscerà il solo costo dei beni forniti non conformi.

La garanzia **non copre** le spese di manodopera relative allo smontaggio / rimontaggio del ricambio sul veicolo, le spese inerenti l'utilizzo di materiali di consumo le spese accessorie legate alla riparazione nonché le spese necessarie all'eventuale sostituzione delle parti che abbiano subito danni a causa del pezzo.

In nessun caso è previsto il rimborso per spese di trasporto del veicolo, per carro soccorso, per spese alberghiere e ferroviarie, noleggio auto, fermo macchina o qualunque danno da esso derivante.

DIRITTO DI RECESSO

il diritto di recesso può essere esercitato alle seguenti condizioni:

- il prodotto acquistato dovrà essere integro e restituito nella confezione originale, completa in tutte le sue parti (compresa eventuale documentazione e dotazione accessoria: manuali, libretto di istruzioni);
- le spese di spedizione relative alla restituzione del bene sono a carico del cliente e la spedizione sotto la sua responsabilità;
- dopo aver ricevuto e verificato il prodotto reso, Freccia provvederà a rimborsare l'acquirente con decurtazione del 20% rispetto al prezzo originale di vendita dovuto a costi di controllo e riposizionamento del prodotto in magazzino.

ESCLUSIONI DI GARANZIA

La garanzia decade:

1. qualora non si sia provveduto a fornire il **prodotto presunto difettoso** affinché si potesse procedere al controllo
2. **a causa di errori di installazione, omissione di pulizia o sostituzione di particolari** conformemente alle specifiche previste dalle **"Regole per il corretto montaggio"**.
3. in caso di **falsa dichiarazione** del chilometraggio del veicolo o di documentazione di vendita.
4. qualora non si proceda a fronte di un imballo danneggiato, ad "accettarlo con riserva" dandone pronta comunicazione e relativa documentazione fotografica a Freccia entro il giorno successivo al ricevimento.
5. qualora durante la **fase di montaggio si utilizzino lubrificanti non idonei** o non previsti dalle case costruttrici
6. se il ricambio viene **smontato, riparato o modificato, anche in parte, da terzi senza previa autorizzazione scritta** da Freccia e, anche in caso di autorizzazione concessa, se chi effettua la lavorazione non provvede a far pervenire una relazione tecnica riportante la causa del danno, una descrizione minuziosa del proprio operato, la lista delle parti ritenute danneggiate o difettose (che dovranno essere conservate ed inviate a Freccia)
7. se, nonostante l'accertamento di eventuali difetti, il componente **continui ad essere utilizzato**, dal momento che il persistere nell'utilizzo può compromettere irrimediabilmente il bene oggetto di garanzia ed alterarne lo stato, così inibendo la possibilità di determinare la causa del vizio e/o ripararlo.
8. nel caso in cui **si intervenga sul veicolo** alterandone in qualsiasi modo le prestazioni o modificandone l'impianto di alimentazione.
9. se viene fatto un **uso improprio e/o sportivo** del veicolo o comunque viene usato in modo non conforme alle indicazioni del costruttore
10. in caso si verifichino danni imputabili a negligenza, imperizia errata od inadeguata riparazione-manutenzione da parte di terzi.
11. **Viene escluso** ogni diritto dell'utente a un risarcimento danni o indennizzo, nonché qualsiasi responsabilità contrattuale o extracontrattuale per danni diretti o indiretti a persone e/o cose provocati dal prodotto.

CONVENZIONE GENERALMENTE APPLICATA

La convenzione che si applica per la vendita è **CONVENZIONE DELLE NAZIONI UNITE SUI CONTRATTI DI COMPRAVENDITA INTERNAZIONALE DI MERCI** conclusa a Vienna l'11 aprile 1980

GOOD PRODUCT WARRANTY

- Freccia International Srl -from now on referred to as "**Freccia**"- in the relationship with its distributors and customers offers a guarantee of good operation of its products. It ensures that the components supplied and installed are free from any structural faults and / or defects of conformity to the origin that may make them unfit for standard use for which they are intended, for the duration of 12 (twelve) months from delivery of the goods to the customer or to the carrier responsible for their collection, subject to prompt notification of defects within the terms of the law -that is 8 days from finding out.
- in the event of finding out a defect, the retailer must inform Freccia as soon as possible detailing the complaint. The effectiveness of the warranty is subject to the immediate previous written notification of the defects to Freccia. In any case it must be carried out by filling out the appropriate form at the discovery of this defect, provided that one of the conditions described below does not occur in the following "**WARRANTY EXCLUSIONS**".
- The defective components in any case must be returned to Freccia at the Customer's charge which will restore the proper operation of the products. In the event that the faulty component has not yet been used, Freccia will replace it with a new one without charge or it will make a discount for the same amount.
- The liability of Freccia is excluded when the damages of the product are not caused by Freccia such as packaging, transport or storage of products made by the Buyer with inadequate means.
- In addition, Freccia cannot be held responsible for any losses or damages suffered by the Buyer as a result of cancellation of orders by its Customers, it is not responsible for penalties due to delayed deliveries or for any damage, penalty or refund caused by the Dealer's relationships with its Customers.
- for any controversy only, the Court of Milan is competent

RULES FOR CORRECT MOUNTING

Freccia recommends the correct assembly of all its products according to the specifications of the manufacturers and the **instruction contained in the leaflet** included in the package.

In particular water pumps require:

- the cleaning of the Pump support layer
- the complete replacement of all the components interacting with the Pump, including the replacement of the gaskets and the OR of the Pump
- the correct tightening of the fixing screws
- the careful checking of the correct belt tensioning

Besides, in order to avoid defects in the alignment of the axes of the components, it is necessary to restore the position and shape prescribed by the manufacturers.

LEGAL CONFORMITY WARRANTY

The sales contract provides for the conformity of the products at the time of delivery.

- Freccia's liability remains excluded in case of the use and / or the assembly of the products not in accordance with the specific conditions set out in the "**RULES FOR CORRECT MOUNTING**" – as shown in the above paragraph and in the "**WP MOUNTING INSTRUCTION**" booklet included in the box.
- Freccia cannot be held responsible for any charge or damage resulting from the incorrect use and / or assembly of the product or the use and / or assembly of a product that has already been found to be defective before assembly.
- The missing of conformity must occur within 2 (two) years from the delivery of the goods and must be claimed by the Customer within 2 (two) months of its discovery together with the description of the defect.

PROCEDURE IN CASE OF DEFECTS

The Customer must assert the defect to the local dealer who is responsible for the warranty.

In turn, the retailer may have recourse to Freccia or a previous intermediary in the sales chain claiming the so called **right of recourse** within one year from the date of the sale of the product to the retailer.

The deadline for the right of recourse **is fixed within 3 (three) years** from the date of the sale of the product to the retailer.

The report must be made with photos and by filling in the appropriate "**RETURN FORM FOR WARRANTY**" containing the vehicle and engine data, the plate number, the component assembly date, the kilometers made along with the sales and installation invoices.

The retailer must specify if he wants to get the product back after technical analysis.

If the defect is confirmed after the quality check, Freccia will propose the repair or replacement of the good or even a partial resolution of the contract with a discount of the same amount.

The component will definitively be scrapped four months after the technical analysis unless the customer gives different directions.

For already assembled defective components, Freccia will recognise only the cost of the non-compliant supplied goods.

The warranty **does not cover** the labor costs related to the disassembly / re-assembly of the spare part on the vehicle, the expenses related to the usage of consumable parts, the accessory costs related to the repair as well as the expenses necessary for the possible replacement of the damages suffered by the parts because of the defects of the piece.

In no case must be expected the reimbursement for the transport costs of the vehicle, for the rescue tow truck cost, hotel and railway costs, car rental, car stop charges or any damage deriving from the mentioned causes.

RIGHT OF WITHDRAWAL

The right of withdrawal can be exerted under the following conditions:

- the purchased product must be intact and returned in its original packaging, complete in all its parts -including any documentation and accessory equipment: i.e. instruction booklet etc. -;
- the shipping costs related to the return of the good are at the Customer's charge and shipment is under his responsibility
- after receiving and verifying the returned product, Freccia will reimburse the buyer making a 20% reduction from the original selling price due to costs of checking and repositioning of the product in the warehouse.

WARRANTY EXCLUSIONS:

1. in case the alleged defective product has not been provided for checking
2. because of wrong installation, omission of cleaning or replacement parts according to the specifications set out in the "**RULES FOR CORRECT MOUNTING**" as shown in the above paragraph and in the "**WP MOUNTING INSTRUCTION**" booklet included in the box.
3. in the event of **false declaration** of the vehicle mileage or sales documents.
4. In case the Customer does not proceed with a damaged packaging to "accept it with reserve" by giving prompt communication and related photographic documentation to Freccia within the day following the receipt.
5. if unsuitable lubricants are used during the assembly or those are not provided by the OE manufacturers
6. if the part is disassembled, repaired or modified, even partially, by third parties **without previous written authorization** from Freccia and, even when authorized, if the person performing the job does not provide a technical report mentioning the cause of the damage, giving detailed description of his work, the list of the damaged or defective parts that must be stored and sent back to Freccia.
7. If the components continue to be used despite have been found out any defects since in their use they can irremediably compromise the good subject to warranty and alter its status, thus inhibiting the possibility of determining the cause of the defect and / or repair it.
8. if you operate on the vehicle, altering its performance in any way or modifying the fuel system.
9. if an improper and / or sports use of the vehicle is made or in any case it is used in a way that does not comply with the manufacturer's instructions.
10. in case of damage due to careless, incorrect inexperience or wrong repair-maintenance made by third parties.
11. Any right of the user to get compensation for damages or indemnification is excluded, as well as any contract or non-contract liability for direct or indirect damages to people and / or things caused by the product.

GENERAL AGREEMENT APPLIED

The agreement applied for the sales is the **UNITED NATIONS AGREEMENT FOR THE INTERNATIONAL TRADING OF GOODS** - Vienna April 11th 1980 -
