EMPRESA

TECNOLOGÍA Y CALIDAD

Desde su fundación en 1945, **Industrias Sardaños S.L, IJS.** se ha destacado como una empresa pionera y de prestigio en el desarrollo y producción de recambios para automoción, siendo así una alternativa altamente competitiva y en constante evolución.

Nuestro servicio empieza con el trato personalizado a todos nuestros clientes adaptándonos a sus necesidades, teniendo la certeza de ofrecerles los productos más competitivos. Estamos adecuados y preparados para cualquier tipo de exigencia o solicitud de mercado, actualmente nuestros medios productivos nos permiten fabricar más de 1.000.000 de unidades anualmente, de las cuales el 80% son destinadas a la exportación. Disponemos de una dotación de maquinaria de alta tecnología para poder realizar grandes producciones en tiempos optimizados y poder así ofrecerles un producto de alta calidad con un precio reducido.

Todos nuestros productos son examinados rigurosamente mediante un protocolo de seguimiento y sometidos a un estricto control de calidad, para garantizar la precisión de los parámetros dimensionales. Nuestra obsesión es poder ofrecer la máxima calidad en todos los servicios desde cualquiera de nuestros distintos departamentos, nuestras producciones están basadas en esa filosofía, gracias a esto, obtenemos una gama de productos de máximo nivel técnico, durabilidad y precio competitivo para cubrir cualquier necesidad en el sector de la automoción.

COMPANY

TECHNOLOGY AND QUALITY

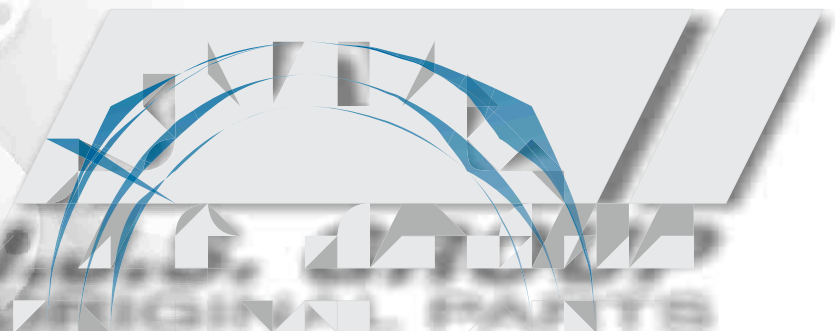

From his fondation in 1945, **Industrias Sardaños S.L" IJS"** has been outlined as a pioneering and prestige company in the development and production of automotive spare parts being a highly competitive alternative in constant evolution.

Our service begins with a personal treatment to all our clients adapting to his needs in order to offer them the most competitive product. We are prepared for any type of exigency requested by the market at the present time ours production's means allow us to produce more than 1000000 units per year which 80% is for export. We have an endowment of high technology machinery to realize big production in optimized times and to be able like that, to offer a high quality product limiting the price.

All our products are rigorously examined through a follow-up protocol and submitted to a strict quality control which guarantee the precision of dimensional parameters. Our obsession is to offer our best quality in all the services from any of our different departments, based on this philosophy and thank of this, we obtain a production range under the maximum technical permanence level, reability and competitive price just to cover any automotive area requirement.

L'ENTREPRISE

TECNOLOGIE ET QUALITÉ

Depuis sa fondation en 1945, Industrias Sardañas S.L s'est distinguée comme une entreprise pionnière, de prestige dans le développement et la production de pièces de rechange pour l'automobile, représentant une alternative très compétitive et en continuelle évolution.

Notre service débute par la prise en charge personnalisée de chacun de nos clients, nous adaptant à leurs besoins, certains de leur offrir les produits les plus compétitifs. Nous sommes armés face aux exigences du marché; nos moyens de production actuels dépassent 1 000 000 d'unités annuelles, dont 80% destinées à l'exportation. Nous disposons de moyens en machines de haute technologie, capables pour les productions importantes en temps contraint d'offrir un produit de grande qualité à prix réduit.

Tous nos produits sont rigoureusement contrôlés suivant un protocole de suivi et soumis à un strict contrôle de la qualité afin de garantir la précision des paramètres dimensionnels. Notre souci est de pouvoir offrir la meilleure qualité pour tous nos services dans nos différents secteurs d'activité; la production est basée sur cette philosophie grâce à quoi nous obtenons une gamme de produits de niveau technique maximum, durables et à prix compétitif pour couvrir tous les besoins dans le secteur de l'automobile.
